(Will be available for replay for 30 days)

See details for each presentation & biographies of presenters below

## Sector Trading Strategies with ETFs

In this Webinar, Deron Wagner explains his proven "top-down" methodology of selecting the best ETFs (exchange traded funds) for generating consistent profits in both up and down markets. Maintaining a simple and easy to replicate strategy, Wagner will discuss how he uses relative strength to minimize risk while maximizing profits.

**DERON WAGNER** is the Founder and Head Portfolio Manager of Morpheus Capital LP, a long/short equity hedge fund, as well as Morpheus Trading Group, a trader education firm specializing in exchange traded funds. Wagner recently completed his fourth book, *Trading ETFs – Gaining An Edge With Technical Analysis*, and also appears in his best-selling video and course book, *Sector Trading Strategies*. Wagner teaches his ETF investment and trading methodology through his *Wagner Daily* and *Wagner Weekly* electronic newsletters, available at [www.morpheustrading.com](http://www.morpheustrading.com)

## How to Navigate the Markets During Uncertain Times

In this 45 minute Webinar Jody Samuels, Trader's Mentor will teach you the basics of how to:

- ◀ Unravel the mysteries of trading the markets using her winning interpretation of the Elliott Wave Theory
- ◀ Recognize patterns for successful entries that are in sync with market moves
- ◀ Know where to exit to capture the optimum profits
- ◀ Increase confidence in your trading method and yourself

**JODY SAMUELS** is one of North America's leading coaches for successful traders, and the creator of The FX Trader's EDGE™ Program. She is a professional currency trader with 15 years experience trading with a New York international investment bank who successfully made millions of dollars using the proven theories of Elliott Wave analysis. She works with members of her program in private coaching sessions and has mentored traders to high levels of success. She has a passion for teaching individuals how to trade the currency markets and use entrepreneurial skills and habits to effectively manage their trading business. ## An Evening with Ed Dobson

In this interview Webinar we will ask Ed about the books that:

- ◀ Every serious trader must have
- ◀ Are new and hot items
- ◀ Are a must for each type of trader
- ◀ Have taught him the most
- ◀ Are best sellers

**ED DOBSON** is founder and owner of Traders Press, the number one source for financial books. He was a broker with Smith Barney and Paine Webber for 23 years, specializing in options and futures. In 1992, he left the brokerage business to devote full time to his publishing business. He is an active trader in stock, options, and futures, and has been involved in trading for the past forty years. [www.traderspress.com](http://www.traderspress.com)

## An Evening with Joe Ross

In this Interview Webinar you will learn from a Legend who is both a master trader and master teacher. I will be asking him:

- ◀ What are the best markets to trade in the present market conditions?
- ◀ Have there been any times in your history of the markets that you found it difficult to trade and why?
- ◀ How do you approach developing a system?
- ◀ Give us a simple system that will make money if you followed it?

**JOE ROSS** has been trading and investing since his first trade at the age of 14, and is a legend as a trader and teacher. He has survived all the ups and downs of the markets because of his adaptable trading style, using a low-risk approach that produces consistent profits. Joe has written twelve best selling books that have become classics. He is the creator of the Ross hook™, and has set new standards for low-risk trading with his concepts of "The Law of Charts™" and the "Traders Trick Entry™." He founded Trading Educators to teach aspiring traders how to make profits using his trading approach. [www.tradingeducators.com](http://www.tradingeducators.com)

## An Evening With Adrienne

In this workshop you will be given 30 typical questions that traders have frequently asked in workshops and seminars all over the world. You can either choose to ask these questions of Adrienne, ask questions in your own way or ask entirely different questions.

- ◀ You will have an opportunity to have a world famous trader's coach answer your questions about the psychology / discipline of trading.
- ◀ You will have an opportunity to hear other traders' questions and issues that could trigger a breakthrough in understanding about some of your own issues.

**ADRIENNE TOGHRAIE** is a Trader's Coach, an internationally recognized authority in the field of human development and a master practitioner of Neuro-Linguistic Programming (NLP) for the financial and business communities. Her articles and interviews have been featured in major trade magazines and newspapers throughout the world. Adrienne has authored eight books including, The Winning Edge 2, 3 & 4: Traders' & Investors' Coaching to Excellence; The Winning Edge 1, co-authored by Jake Bernstein; and Traders' Secrets, which she co-authored with Murray Ruggiero. She is widely acclaimed for her public seminars and private consulting. [www.tradingontarget.com](http://www.tradingontarget.com)
