

# Trading Spreads and Seasonals

**Product Code:** 10004

**Price:** \$150.00

## **Short Description**

In Trading Spreads and Seasonals, you will discover the trading secrets many full-time traders use on a daily basis to exploit the markets for their own financial gain, at the expense of the "little guys." Spread trading is quietly kept secret. Why? Because spread trading completely eliminates stop running. Do you think the insiders want you to know that? What would they do if they didn't have your stops to run?

## **Shipping Information**

All book orders are usually processed and mailed out within 1 to 2 business days using the United States Postal Service (USPS).

Below are the expected delivery times and rates:

### **United States:**

Media Mail - includes tracking. Delivery time is approximately one week\* after being

mailed. Flat rate of \$7.00 - one or more books

Priority Mail - includes tracking. Delivery time is usually two to three days\* after being mailed. Flat rate of \$14.00 - one or more books

\*Alaska, Hawaii, Puerto Rico, and APO/FPO will take additional time to arrive.

**International:**

Orders are shipped using USPS weight regulations in a manner to keep rates as low as possible.

An order with one book will be shipped First Class Air Mail and usually take one to two weeks to arrive. There is no tracking available using this service except for Canada.

Orders of two or more books must be shipped Priority Mail and usually arrive in about one week. Tracking is available to some destinations.

If you need your order sooner and/or want tracking, please contact us, [Support@TradingEducators](mailto:Support@TradingEducators), and we will be glad to research what options are available. We can also send through UPS however, the price for that service is significantly more.

**Rates:**
